## Innovation & Technology

The Digital Innovation Forum will highlight topics and discussions related to Generative AI, Chat GPT, and advancements in digital pumps.

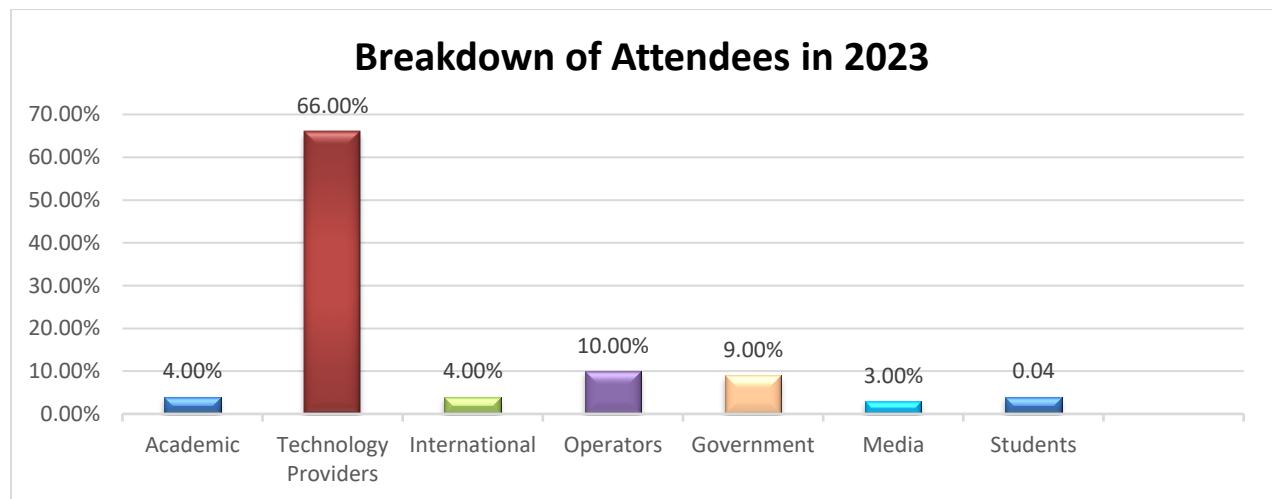

This dynamic event will serve as a platform to bring together stakeholders, producers, and vendors, fostering collaboration and engagement across diverse sectors.

### Event Activities:

- Technology Spotlights feature new technologies from the sponsoring companies of the 2024 Forum.
- Networking breaks: Mingle with the exhibitors of the 2024 Forum, exchange business cards, grab a snack, coffee and tea, and find something in common!
- Networking Reception: End the day with a drink and continue socializing. The exhibitors will remain for networking and questions. (\*Please note, if we do not secure a networking reception sponsor, we cannot give out drink tickets)
